called at Halifax for the purpose of considering the advisability of a general stoppage of the trade, and the adoption of short time in the Yorkshire district, or such other meas-

ares as might be considered best calculated to assist in breaking down the Liverpool cotton corner. Telegrams from Accrengton say it is urged that the action of the corner does not yet touch the manufactures so much

as it does the spinners, and that in a few days it will probably effect a great change. This refers to a failure to get two-thirds of the manufacturers north and northeast of Lan-cashire to adopt the short time programme.
